

# International Introduction to Securities and Investment

## Programme Aim

- This module has been specifically designed to meet the needs of new entrants to the financial service industry irrespective of their level of experience. The syllabus allows the qualification to be taken by a range of staff not just those in traditional investment administration but also those in areas including IT, HR, Marketing, Secretarial etc.

## Programme Overview

- This programme is a stand alone benchmark examination as well as one technical unit within the globally recognised Investment Administration Qualification (IAQ™). Candidates who complete three technical units (or two technical units plus the Irish Stock Exchange Registered Representative exam) will be eligible to be awarded the International IAQ™ (Ireland) and Associate Membership of the Securities and Investment Institute (SII).

## Programme Outline
